

# EVERY DAY

DOMINION BIOLOGIST GEORGE BIRDSONG HELPS HUNDREDS OF FLY FISHERMEN ENJOY VIRGINIA'S CATCH.

He's part of a team of scientists from Dominion whose job is to preserve our state's natural resources. For example, at Back Creek in the Allegheny Highlands when Dominion built its hydroelectric station, the team worked with the Virginia Department of Game and Inland Fisheries to protect the local trout, plants and even insects. And today, it's one of Virginia's Blue Ribbon trout streams. The work is never-ending—at Back Creek and all over Virginia. But, then again, so is Dominion's commitment to the environment.

**WHAT WE DO EVERY DAY, POWERS YOUR EVERY DAY.**
