

Monthly Variable Rate Commodity Service

1. Description

Monthly Variable Rate (“MVR”) commodity service is provided by competitive retail natural gas (“CRNG”) suppliers participating in Dominion East Ohio’s (“East Ohio”) Energy Choice program pursuant to the June 18, 2008 Opinion and Order issued by the Public Utilities Commission of Ohio (“PUCO”) in Case No. 07-1224-GA-EXM. MVR commodity service is rendered in conjunction with East Ohio’s Energy Choice Transportation Service - Residential (“ECTS-R”), Energy Choice Transportation Service – Nonresidential (“ECTS-NR”), and Large Volume Energy Choice Transportation Service (“LVECTS”) rate schedules.

2. Price

- 2.1 The price for MVR commodity service is based on the Customer’s assigned CRNG Supplier’s posted MVR price. CRNG Suppliers shall post or otherwise make available the MVR price by the first of each month for the applicable billing period. A CRNG Supplier’s MVR price charged for a monthly billing period shall be no greater than any of its monthly variable rates (“Competitive MVRs”) posted on the PUCO’s Apples-to-Apples Chart for the same billing period. All CRNG Suppliers offering MVR commodity service are required to have a Competitive MVR posted on their list of active offers available to all eligible customers on the PUCO’s Apples-to-Apples Chart.
- 2.2 The amount billed for MVR commodity service will also include the applicable Ohio sales and use tax for those Customers not exempted from the payment of that tax. A CRNG supplier shall charge all of its MVR Customers the same posted MVR price for the billing period over which the price is to be effective. The MVR price shall be denominated as the rate per Mcf of Customer usage.

3. Applicability

Provided they are eligible to receive service under the ECTS-R, ECTS-NR, and LVECTS rate schedules, MVR commodity service will be provided to Customers assigned to a CRNG supplier after having received SSO service for up to two consecutive billing periods following termination of their Energy Choice or opt-in governmental aggregation program, unless such Customers elect to receive SCO commodity service.

4. Other Terms and Conditions

- 4.1 MVR commodity service will be billed by East Ohio in conjunction with charges for service under the ECTS-R, ECTS-NR, or LVECTS rate schedules.

- 4.2 Customers may cease receiving MVR commodity service at any time at no additional charge from East Ohio or the MVR supplier by enrolling with a CRNG supplier in accordance with standard Energy Choice enrollment provisions, participating in an opt-out governmental aggregation program, or electing to receive SCO commodity service.
- 4.3 Customers assigned to MVR commodity service may not select their MVR supplier. MVR commodity service shall be provided by the Customer's assigned CRNG supplier unless the Customer enrolls with a CRNG supplier, participates in an opt-out governmental aggregation program, elects to receive SCO commodity service, or becomes ineligible to receive MVR commodity service.
