EnergyShare has provided heating assistance to nearly 50,000 people over the past 10 years. And your tax-deductible contribution today will help us reach thousands more in the weeks and months to come.

**Support EnergyShare today.**

To contribute, simply add \$1, \$2, \$6, \$12, \$18 or \$36 to your Dominion bill payment. Overpayments in those exact amounts go directly to EnergyShare. Or enclose a check made payable to EnergyShare in this envelope and mail it separately from your bill.

Every penny donated goes directly to help your neighbors in need, because Dominion and The Salvation Army cover all administrative costs.
