NOTICE
TO
CUSTOMERS
OF
NEW RIDER

NOTICE IS HEREBY GIVEN that the North Carolina Utilities Commission entered an order on October 14, 2011, after public hearing, approving a $1,147,999 annual revenue increase associated with the cost recovery of Dominion North Carolina Power's demand side management and energy efficiency programs. This increase will be recovered through a new Rider C – Demand Side Management/Energy Efficiency. This new rider, which will become effective for usage on and after November 1, 2011, will be trued-up by the Commission in Dominion North Carolina Power's 2012 demand side management/energy efficiency rider proceeding.

The change in the approved annual weighted average bill for a residential customer using 1,000 kWh per month will result in a monthly increase of approximately $0.53 or 0.56% for usage beginning on and after November 1, 2011.
ISSUED BY ORDER OF THE COMMISSION.
This the 1st day of November, 2011.
