SMART COOLING REWARDS

BE SMART. BE COOL. BE PAID.

Make a difference. Enroll today. Visit dom.com/SmartCool
to enroll online or call 888-366-8280.

How the Smart Cooling Rewards program works:

Dominion will install a switch, on or near the outside of your air conditioner or heat pump system. During periods of high demand – usually on the hottest days of the summer – Dominion may call an “event” which means we will cycle your air conditioner or heat pump compressor on and off at defined intervals.
